

ESHG-Y

European Society of Human Genetics – Young Committee

Coming generations are an essential force to
meaningful and long-lasting changes in the
development of the Human Genetic field

young.geneticist@gmail.com

MISSION

To represent and support the young European geneticists by developing strategies and programs that aim for a better education.

OBJECTIVES

Scientific
events

Equal access
to
opportunities

ESHG-Y
Network

Young
Leadership

SCIENTIFIC EVENTS

- Get involved in the organization of the scientific program of the ESHG Conference.
- Organize different scientific events for all human genetic specialities.

SCIENTIFIC EVENTS

ESHG Conferences

- 2020: W05 ESHG-Young Committee and YGN - Professional Development for the Next Generation
- 2021: Educational session *“Human organoids as genetic disease models”*

ESHG - Education Committee

- 2 members of the ESHG-Y for a period of 1 year
- Call for volunteers for 4 years (*3 other members of the board have applied*)

Link with ERN ITHACA

- Correction of translation of documents Unique +/- MOOC BIG +/- Orphanet
- Eurodysmorpho Conference

EQUAL ACCESS TO OPPORTUNITIES

- Facilitate access to scientific and educational information in human genetics to all young geneticists.
- Design strategies to facilitate access to international training opportunities.
- Be committed to carry out all the ESHG-Y activities without discrimination.

ESHG-Y NETWORK

- Increase the representation of young geneticists in Europe.
- Build a growing community and facilitate communication.
- Create a network of “officers” which are representatives of the European countries that will support the executive activities of ESHG-Y.
- Create and implement new projects that will enhance the performance of young geneticists.
- Develop collaborations with other human and medical genetic societies.
- Promote interdisciplinary collaborations.

YG NETWORK: THE VERY BEGINNING

FOUNDERS: **Florence Riccardi & Aurélien Trimouille**

YOUNG LEADERSHIP

- Support tomorrow's young leaders in the European human genetics field that will bring a positive influence and will motivate young geneticists to get more involved in ESHG-Y activities.
- Support young geneticist leaders to become forces of change in their own national scientific community.
- Participate under the guidance of the ESHG in the elaboration of strategies and policies that will ensure an equal and harmonious development of the human genetic field in Europe.

ESHG-Y Committee Members

The committee defines the aims of the ESHG-Y in collaboration with the ESHG Board for the period of the mandate.

Elections for the ESHG-Y Committee are held annually.

The members of the Committee must also be members of the ESHG.

The Committee is composed of
7 members elected for a period of 2 years.

The members of the Committee represent at least
4 different European countries.

ESHG-Y COMMITTEE STRUCTURE

1
CHAIR

2
VICE CHAIRS

2
SECRETARIES

2
SPOKESPERSONS

ESHG-Y COMMITTEE ELECTION

- Elections are organized by the ESHG-Y Committee in collaboration with the ESHG.
- Any ESHG member that holds a ESHG Trainee Membership can apply to become a committee member.

Application

The candidate has to send via email a motivation letter and a 1 page CV to the ESHG-Y Committee at least **60 days before the ESHG annual meeting** for evaluation.

Announcement

The candidate names will be shared on the ESHG-Y mailing list and social media at least **50 days before the ESHG annual meeting**.

Voting

The voting process should start at least **30 days before the ESHG annual meeting**.

The voting should end **20 days before the ESHG annual meeting**.

ESHG annual meeting

Revealing the new ESHG-Y Committee members.

ESHG-Y

European Society of Human Genetics – Young Committee

Thank you for your support
&

Looking forward to meeting all young geneticists
